**NOTE:**

This Populaire cruises thru 11 mid-county cities. Starting in San Marcos, you'll ride west to the ocean and follow classic Hwy.101 south to Del Mar. Turn inland and loop around to Poway before riding north thru Escondido and back to the finish in San Marcos. Not much climbing @ 2800".

*Ride report or informational video of this route is available on the San Diego Randonneurs website: <http://www.sandiegorandonneurs.com>*

*Good Riding,
